## THANK YOU

Thank you for considering a partnership with You Are Women's Conference. Because of the generosity of so many, You Are has gotten to play a part in the grander Story of Jesus building His Kingdom on the earth. Thank you for considering to build with us!

## HELLO

*"You Are" is an intergenerational, interdenominational women's conference with the main purpose of encountering God in freedom and truth. We are hopeful to reach even more women by heading to the Texas Hill Country this fall.*

*In 2013 our Founder and Director, Stephanie Lee, felt God leading her to gather women to worship and seek Him together. She began by bringing a small group of women together to pray for our community and direction for how this gathering could look. As this team of women began to pray and seek God together, You Are Conference took shape. The first You Are Conference was in October of 2014 and abundantly exceeded the team's expectations. There were testimonies of women deciding to follow Jesus in full surrender, repentance, and new freedom. We witnessed God healing families, spiritual wounding, and physical sickness. After the first gathering our team felt God clearly leading us to move forward. You Are Conference 2024 will mark our 10th year. We couldn't be more excited and hopeful as we celebrate a decade of God's faithfulness!*

*Our prayer is that we will grow deeper in our faith through teaching and worship, connect with other women, and leave encouraged in who God really is and who He says we are. We will come together, women of all ages (18 years old through 118), from all denominations to worship God, & by God's grace, leave the conference knowing and believing we can be free in Jesus Christ.*

## OUR PURPOSE

You Are Conference exists to bring generations of women, across denominations, together under the name of Jesus Christ.

# OUR

# GATHERING

## MAIN SESSIONS

Throughout the gathering all attendees gather together for our main sessions. These sessions generally last for 1-2 hours with worship and teaching. Worship is led by a live band, as well as Talitha Dance Co. and live painting. Main sessions often include video testimonies, announcements and giveaways. These sessions always close with a response time where women can receive personal ministry and pray with our team.

## INSPIRE SESSIONS

Inspire Sessions are shorter sessions throughout the weekend, similar to TED Talks. These sessions consist of women sharing something they are currently learning or their stories about what God has done and is doing in and through their lives. Our hope is that these sessions would help our attendees be inspired to carry out their own God-given callings and gifts. As they hear testimonies of God's faithfulness, we pray their faith would increase and they would leave with more vision and hunger to do the things God has called them to do.

## PRAYER ROOMS

Prayer is a core value for You Are Conference. This gathering was created through prayer and continues to be carried by prayer. Our team meets monthly to pray for the conference, and incorporates prayer throughout the entire conference. We have prayer times at the end of each main sessions, a prayer room open to the in-person attendees, and for our virtual participants we will have an audio/video call prayer line available throughout the gathering,

## MINISTRY FAIR

One of our hopes for You Are is that it will not only be a place for women to learn and be invested in, but a place where they would be challenged to go out and minister to the world, both locally and globally. There are often women that want to find a place to serve in the community. The Ministry Fair is open throughout the weekend and is a great place for local ministries to get info out about who they are and how our attendees could come alongside their mission. The ministries represented must fall in line with You Are Conference's core beliefs and values.

## CREATIVE MARKET

There are so many incredible organizations that are providing jobs for women in need, taking care of the poor and marginalized and investing in Kingdom work. The goal of the creative market is to give a space where women can join in that work by financially supporting these organizations by purchasing products that will support this work. The market is open throughout the weekend, but the main portion is Friday evening. Coffee and tea, as well as baked goods from a local bakery are provided during this time to encourage women to stick around and spend time browsing.

## YOU ARE CONFERENCE SPONSOR TESTIMONIAL

*“God has RICHLY blessed me through the You Are Conference since it began in 2014 and every year since. I am so grateful for the encounters I have had with God there - being revived & drawn closer to My Heavenly Father! When I heard about the opportunity to be a sponsor I immediately felt God stirring my heart to take this opportunity. I am so glad I did! It has been such a thrill to partner with an organization that I dearly love, believe in and have been so blessed by. In addition, sponsoring You Are has been such a blessing to my business! It has greatly increased awareness of my company, Miles of Grace Realty. In just one weekend, through sponsoring You Are over 800 women heard about my company and were given a way to connect with me. Sponsoring You Are has led to new business for my company. It has been an investment that has paid off in more ways than one - by supporting the conference, Miles of Grace Realty has had the opportunity to be a part of what God is doing to draw His daughters closer & it has resulted in increased sales & business for my company! It is so awesome to be able to market my company while investing in God’s Kingdom. I am so grateful God blessed me with this opportunity & I hope to sponsor You Are again!!”*

# IMPACT DONORS

## YOU ARE CONFERENCE IMPACT DONOR

The You Are Conference impact Donor agrees to give \$15,000 annually for 3 years to invest in the corresponding year's conference. This annual gift will be invested in the overall costs and sustainability of the conference. These gifts ensure the ability to keep registration costs low and help keep an open door to women from all backgrounds and financial situations. If you're interested in becoming an Impact Donor, contact Ashley at [ashley@youareconference.com](mailto:ashley@youareconference.com).

### WHAT PEOPLE ARE SAYING ABOUT YOU ARE CONFERENCE

"The weekend was a restoration of my faith and trust in the Lord that I had let go of. Thank you all for the hard work."

"From the minute I walked in the door on Friday I wanted to cry- it was evident that the Lord was working. There were dreams & passions that the Lord had given me when I first came to him that had been pushed aside and I didn't even realize it. He brought all of that back to me and more, I feel like a completely different person. God revealed some unforgiveness that I had been holding that I did not realize at all until the conference. I feel like I have fresh vision and purpose now! So blessed!"

"Wow. I've heard that You Are is amazing and life-changing and that is the TRUTH! I loved how women all came together and the barriers of different churches, denominations, and beliefs fell down because of one thing, Jesus. It was all about Him. We worshiped, we wept, we were challenged and we were encouraged. I loved the prayer room. I probably could have spend the whole weekend in there repenting, receiving prayer, and just being in God's presence. I came away changed."
